Additional Information

Solitude Links offers an installment program that is based on the targeted guest count at your per-person negotiated price divided into four equal payments. 14 days prior to your event, final payment will be due.

During this meeting, all menu/beverage selections, setup instructions, vendor information, and final guest counts are tallied.

Guest counts can be increased up to one week before the event up to booked room maximum, but no reductions will be allowed.

Food is ordered on the final guest count given at the final appointment. An itemized invoice will be presented to you. All charges will be based upon actual guest count as long as it meets the minimum requirements.

Acceptable forms of payment include cash, personal or business checks, Paypal and credit cards.

All checks must clear 14 days prior to event.

Frequently Asked Questions

► Hi, just wondering how large the gazebo is?

Our gazebo's entry arch is 8 1/2 feet high, 9 1/2 feet wide. There are (8) columns which are 3 1/2 feet in diameter. You are welcome to decorate the gazebo but we ask that nothing be nailed. You will need to bring your own ladder and are responsible for the set up and removal of any gazebo decorations.

► Your outdoor gazebo area looks fantastic to have our wedding – but since this is Michigan we are wondering what happens if it should rain?

We try everything in our power to accommodate an inside alternative should inclement weather occur. There are a few considerations, the size of the weddings and what banquet halls are in use for the day. We can seat up to 100 in the lower Reflection Hall as a chapel if not in use. We can also hold the ceremony under the covered patio area if weather permits. If all rooms are booked and weather does not permit, we set up your ceremony in your reception hall on the dance floor.

► Is there power available inside the gazebo for our DJ?

Power is available in the gazebo for DJ setups.

► Your place is so beautiful with a ton of outdoor picture opportunities – what options are available?

Solitude Links has many beautiful settings for your pictures. The area around the club house and the waterfall are most popular with our brides. We do ask that you be courteous of the greens as heels can cause damage. If you are using a preferred photographer, you may go out further on the course as well as to one of our bridges by golf cart, many of our brides like the uniqueness of these settings. Your Event Coordinator can coordinate this with the pro-shop to allow you to get the best photo opportunities as well as be considerate of our golfers out on the course. Golf cart use is limited only if you have a preferred photographer and would like to do something fun, if not using a preferred vendor, the carts are intended for our golfers only.

► Do I need a marriage license from St. Clair County?

Michigan residents must apply for their marriage license in the county in which they live. In Michigan, marriage licenses are granted by the county clerk's office. Once your application is approved, there is a three day waiting period before you can use the license. You must use your marriage license within 30 days of the validation date, or it will expire.

► Since your location is on a Golf Course, are there any golf options available?

When booking your wedding with us, you get two free rounds of golf. Tee Times need to be set up with the Event Coordinator prior to your wedding.

► Can I use my own DJ and photographer?

While we encourage you to use our Preferred Vendors, Outside vendors are welcome, we just require those vendors to supply Solitude Links with a copy of their liability insurance certificate (Accord).

► Will we be able to use the upstairs balcony during our reception?

We are very proud of our upper balcony. We have multiple seating areas, fire pits and outdoor space heaters. We also have an outdoor bar that is available at an extra fee for your event. The balcony will be set up and fully in use for every event, weather permitting.

► Can our guests smoke?

Smoking is allowed at the front entrance only, smoking is not permitted on the balcony.

Frequently Asked Questions (cont.)

► Do golfers play during ceremony times?

We block the cart path during ceremony times and we do our best to redirect them either over the pond to start at number 1 or direct them to number 3 if pace of play allows. You are more than welcome to pay to completely block off the tee times during your ceremony.

MIKE STAFF PRODUCTIONS

► Hello, we would like to tour your venue, but were hoping to find out a little info first – what is your bar set up?

We have 4 bars – one in the lower level hall, two in the upper level hall/halls with the option to have an open bar outside on the deck. All of our bar packages include a bartender. Our ServSafe Alcohol Training ensures we are compliant with the Michigan Liquor Control Code. We do not serve shots or on the rocks drinks with our open bar packages. All drinks are single shots and have to have a mixer. Typically, the bars will close during the dinner hour. There are packages that allow you to pay a per person price to keep the bar open during dinner and/or if you would like to extend your service time for a later reception. Our outdoor deck bar can be added for a rental charge for any event. The Outdoor Bar is non-refundable should there be inclement weather conditions. Bartenders are based off total guest counts, one Bartender per one hundred guests. Additional Bartenders can be added for an additional fee. Our Event Coordinator will be happy to discuss all of these options to accommodate your needs.

► Flowers for Ceremony

Any petals/flowers that will be tossed or spread must be real, no artificial petals/flowers are allowed. If you have a traditional flower girl, those petals must also be real.

► We have children and adults with food allergies and vegetarian preferences will that be ok?

We are happy to accommodate any Vegetarian, Vegan, Gluten free or special allergies. This is something that should be discussed with your Event Coordinator as you plan your wedding's menu.

► Is there a place for me and my bridesmaids to get dressed or somewhere private that we can keep our belongings and freshen up?

We have three beautiful bridal suites, two upstairs and one downstairs. The Harmony Suite and the Tranquility Suite are upstairs. These rooms are yours for the day and your suite will be based on which hall you have booked. If you have booked the Grande Hall, you get use of both suites. Our lower level Reflection Hall gets the lower level bridal suite available to you and your wedding party. All three rooms have code padlocks and are secure for your belongings.

► I noticed you have a shuttle – just curious how many people it seats and what arrangements can be made?

Our shuttle seats (24) twenty guests with or without golf. We work with you to determine how many runs and what times you need based on how many guest would need the service. Shuttle runs start at \$250.00/rt. We will run to any Port Huron local locations.

"Michaels Entertainment was by far the best choice we made for our wedding! From our initial phone meeting up until the wedding night they were so helpful and always made sure we knew exactly how the night was going to go. DJ Richard made the night go smoothly and was always checking in with my husband and I to keep the night on track. We got the ultimate experience package and the photo booth and videographer were also great! Would highly recommend Michaels entertainment for your wedding!"
